

# Color & Finish

## ENDLESS POSSIBILITIES

All finishes are available in standard and custom colors and are guaranteed for five (5) years.

## 7 STEP POWDER COAT

1. **Shot Blasted** – using abrasive, turbine ejected at 3600 rpm to clean the surface
2. **Sanding and Cleaning** – to eliminate any Shot Blast residue
3. **Chemical Pretreatment** – sealant applied which enables the adhesion of paint
4. **Drying** – to eliminate any water
5. **Paint Application** – Quali-Guard® textured, electrostatically applied
6. **Cured** – finish is oven-baked at 400° F to promote maximum adherence and finish hardness
7. **Inspected and Packaged** – for a minimum thickness of 3-5 millimeters and wrapped adequately so they are protected while in transit to the job site
